

Introduction to account management

01/31/2024 1:58 pm EST

The InsightStore's account management features make it easy to invite new users to your account, change their permissions, remove users, and create and edit user groups.

- [Accounts](#)
 - [Switching accounts](#)
 - [Updating account information](#)
 - [Adding and editing users](#)
 - [Updating your user information](#)
 - [Password reset requests](#)
 - [Creating user groups](#)
 - [Editing or deleting user groups](#)
