

Updating an organization's information

01/31/2024 1:59 pm EST

If you have administrative account permissions, you can update your organization's information by going to the Profile link in the left navigation bar and then selecting Organization.

Basic information

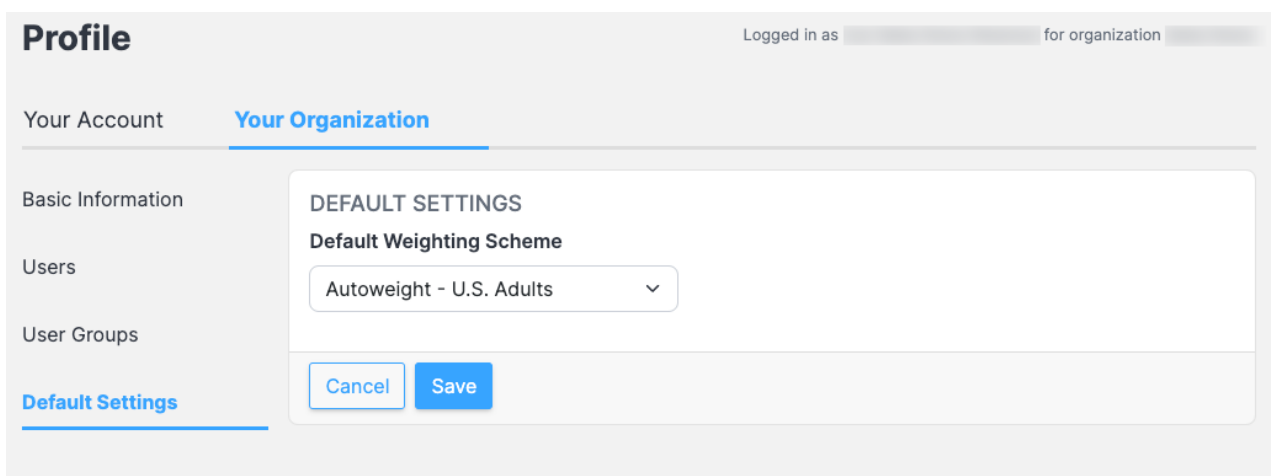

If your organization's name changes, it can be updated here on the *Basic Information* screen. It is usually best to contact your account manager if a change needs to be made here.

The screenshot shows the 'Profile' page with the 'Your Organization' tab selected. On the left sidebar, 'Basic Information' is highlighted. The main content area is titled 'BASIC INFORMATION' and contains a form for 'Organization Name *'. The form has a single text input field. At the bottom of the form are two buttons: 'Cancel' and 'Save'.

Default settings

The organization's *Default Weighting Scheme* can be changed on the *Default Settings* page. Please speak with your account manager before making any changes here.
