

Pinned questions

08/12/2025 2:26 pm EDT

[Pinning a question](#) ensures that it is the first engagement question seen by any respondent who visits a particular target.

This tab shows you which (if any) questions are pinned to this page. If a question is pinned, its text is shown with a link to its page in the InsightStore. The date it was pinned is also displayed.

You can end collection using the *Stop* button.
